DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter, which the applicant regards as his invention.

2. **Claim(s) 1 and 10** are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1 recites the limitation "the target address(es)" in lines 5 and 6, "the respective target address(es)" in line 10, "the telephone concerned" in line 16 and "the holder of the telephone" in line 18. There is insufficient antecedent basis for these limitations in the claim.

Claim 10 recites the limitation "the target address(es)" in line 4, "the identity of the target address(es)" in line 5, "the respective target address(es)" in line 11, "the telephone concerned" in line 17 and "the holder of the telephone" in lines 19 and 20. There is insufficient antecedent basis for these limitations in the claim.

Claim(s) 2-9 are rejected for being dependent of rejected claims.

Response to Arguments

3. Applicant's arguments filed on January 24, 2007 have been fully considered but they are not persuasive. The applicant argues on page 3, first paragraph of the remarks that the term "the" rather than "said" use with a noun is not necessarily intended to reference a previously mentioned term.

The examiner respectfully disagrees.

For a clear scope of the claims the term "the" or "said" cannot be used in a vacuum. To understand the claim one skill in the art in looking for a previously mentioned item for a sequence. Therefore the 112 rejection of the claims still apply for lack of antecedent basis.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
